DIFFERENTIATORS

Aurora Operations is a Service-Disabled Veteran Owned Small Business (SDVOSB) focusing on delivery of premier American-made products and quality services. Our strategic partners' and staff's combined experience offer tier one training and practical education in numerous disciplines.

Aurora's experience in special operations and business aids in the development of bespoke products and services. We provide businesses with full scope management and cleaning solutions in the janitorial space. We partner with companies who share similar convictions for providing unparalleled service to government and commercial businesses.

COMPANY BIO

Aurora Operations stems from Naval Special Warfare roots. The company was started and is run today by special operators with a background in kinetic operations. The company's expertise lies in operations, facilities management, supply, and building services. These skills have been developed over the last 5 years in the commercial space. Aurora Operations was established in 2018 with a focus on providing facility management and commercial building services to property managers, real estate offices and Government contracts.
